## Technical Skills

Javascript, Typescript, C#, HTML, CSS, Flask, MySQL, Bootstrap, Tailwind-CSS, Github, MongoDB, NextJs, React, .NET, NodeJs, Azure, Prisma, MAUI, Planet-Scale

---

## Technical Projects

### iCBCM | C#, .NET, MAUI, Azure, Sqlite, Mobile-Application

Administrative mobile application, designed as a member directory.

- Designed and developed on .NET Maui, for its ability to create cross platform mobile apps.
- Implement CRUD functionality with Sqlite, allowing admin a method to update member information.
- Uses Azure to hold member information for its reliability to host and secure REST API.
- Enabling administrators to utilize search functionality or using the filter to categorize members under each specific branch/division/location.

### EHRD | JavaScript, React, MongoDB, Tailwind-CSS

Administrative dashboard for providers to view patient records

- Designed using the React framework and styled with Tailwind CSS
  - Facilitates certain CRUD privileges based on specific administrative roles.
  - Created search functionality to view patient files/prescriptions.
  - Using MongoDB for its reliability in data protection, storing patient prescriptions and info.
- 

## Work Experience

CBCM | Intern - Full Stack Engineer

**2023-Present**

- Produced a cross platform mobile app through the .NET framework using MAUI
- Integration of Azure for multi cloud based API management.
- Developed a mobile app that uses google's location-based API services, providing administrators with a directory of all church members.

Partners Pacific Optometry | Optician

**2021-2022**

- Contributed to patient care, dedicated to ensuring high levels of patient satisfaction
- Responsible for billing vision insurance to appropriate insurance companies.

Optical Shop of Aspen | Optician/Lab Tech

**2014-2019**

- Sales consultant catering to esteemed clientele and brands.
  - Managed quality assurance procedures for prescription lenses within Orange County.
- 

## Education

Coding Dojo | Online

- ☐ Certificate in Full-stack developing | Extensively trained in MERN, Java, Python

California State University of Long Beach | Long Beach, CA

- ☐ Bachelors of Arts In Psychology

Golden West Community College | Huntington Beach, CA

- ☐ Associates of Arts Transfer AAT Psychology
